The Moral Obligation to Serve the Marginalized: By Any Means Necessary

We all have the moral obligation to serve the marginalized (you can’t change what
you can’t change), but you can certainly talk about it. By any means necessary.

The educational experience of all students.

Violence and discrimination against any ethnic group is unacceptable. Responding to
these actions is appalling and unacceptable.

Our solidarity and steadfast support for you.

We want you to know that "You are not alone."
