Undergraduate On-Campus Employment Opportunities

The Office of Undergraduate Admission are now accepting applications for the Fall 2021 semester. Greeters are responsible for interacting with walk-in visitors, answering phone calls, and acting as a switchboard for the SUNY New Paltz campus, including Oasis/Haven and the Psychological Counseling Center.

Student Resilience Advocates are here to help!

A group of nine Student Resilience Advocates (both grad and undergrad) have been trained by staff from the Institute for Disaster Mental Health to educate and support students who need more intensive support to the other essential resources on campus, including Oasis/Haven and the Psychological Counseling Center.

Student Resilience Advocates are currently doing a lot of outreach through social media, so please follow them on Instagram @np_resilience and on the Hawk's Eye (SuperFan U) app.
